# You Are Not Alone

We work with victims of sexual assault on college campuses

# Sexual assault is never your fault. Trauma from sexual assault can affect many areas of your life.

- I am worried about grades and keeping my scholarships.
- I am concerned about my health or medical issues.
- I am confused about the criminal/civil justice system.
- I have problems with student loans or other financial issues.
- I am worried about my privacy and other people finding out about my assault.
- I am worried about my immigration status.
- I am worried about my job.
- I do not feel safe where I live/I am worried about my physical safety.

**If you are a victim of sexual assault, and you checked any of the boxes, please contact the Legal Aid Society of Mid-New York.**

- Our services are free, private, and confidential.
- One of our attorneys can explain your legal options.
- If English isn't your first language, we will provide a free confidential interpreter.
